

# Cleaner Production Facility Project proposal

<b>1. Project name</b>	
------------------------	--

<b>2. Borrower (Enterprise)</b>	
Type of ownership	
Address	
Phone / fax	
E-mail	

<b>3. Project description</b> (approximately 150 words, including listing of measures)
<p>List of measures:</p> <p>Total project value:</p> <p>Planned type of the loan security:</p>

4. Environmental benefits [tons/year]*	CO <sub>2</sub>	SO <sub>2</sub>	NO <sub>x</sub>	CO	FOS**	Dust
Existing emission						
Emissions after implementing measures						
Total reduction in emissions						

\* Table could be specified or added by other environmental benefits, for instance polluting substances in waste water (BOD, COD, suspended solids, heavy metals. Additive information on waste reduction and/or on waste collection and removal)

\*\* Fugitive Organic Substances

5. Operating costs [EUR/year]	Present costs	After measures	Annual net savings
Fuel (gas)			EUR
Electricity			EUR
Raw material			EUR
Environmental payments			EUR
Operation & Maintenance			EUR
Other			EUR
<b>Total net saving</b>			EUR
<b>Pay back</b>			Year

## Cleaner Production Facility Project proposal

Tariffs		
Oil		EUR/t
Gas		EUR/m <sup>3</sup>
Raw material		EUR/t
Electricity		EUR/kWh
Other		

6. Investments	Contribution of the Borrower (a minimum of 10 % of the total investment shall be financed by the enterprise itself)	Contribution of NEFCO	
Design and planning			EUR
Project management			EUR
Equipment			EUR
Installation			EUR
Other			EUR
<b>Total investment</b>			EUR

<b>7. Non-quantifiable benefits</b> (other project benefits that are difficult to present in numbers)
-

<b>8. Financing</b>	
<i>The NEFCO Cleaner Production Loan Facility normally requires that a minimum of 10 % of the total investment is financed by the enterprise itself. The maximum loan amount is 350.000EUR.</i>	
The enterprise is aware of the conditions of the NEFCO CP Facility, and can arrange the required co-financing of the project.	<b>Yes/No:</b>
