INVITATION FOR TENDER

“Capital repair of kindergartens No. 27, No. 43, No. 3 in the city of Chernivtsi”

This Invitation for Tender follows the General Procurement Notice for this project which was published on the NEFCO website, Procurement Notices (http://www.nefco.org/how_to_work/procurement_notices) on March 01, 2017.

The Department of Urban Planning and Land Relations of Chernivtsi City Council on behalf of the Executive Committee of Chernivtsi City Council (hereinafter referred to as “the Employer”), intends to use part of the proceeds of a grant received from E5P* fund together with Nordic Environment Finance Corporation (NEFCO) as the Implementing Agency towards the cost of the project “Energy efficiency improvements in public buildings in the city of Chernivtsi”.

The Project is being implemented based on the decision №198 of the Chernivtsi city council dated 17 May 2016 “On attracting the loan facility from NEFCO for financing the Project “Energy efficiency improvements in public buildings in the city of Chernivtsi”. Within the framework of the Project in 2017 and 2018 the contractors will be selected for implementation of the works in total amount of about 263,58 million UAH (about 9 million Euro).

The Employer now invites sealed tenders from Contractors for the following contract to be funded from part of the proceeds of the grant:

Capital repair of kindergartens, namely:

- Object 1 – “**Capital repair of kindergarten No. 25-B, Komarova str., Chernivtsi city (implementation of investment project “Energy efficiency improvements in public buildings”)**”. The works include the implementation of thermal insulation of walls, thermal insulation of socle, thermal insulation of the loft, replacement of windows and doors on Metal-plastic, reconstruction of heating system, ventilation and lighting and other works.
- Object 2 – “**Capital repair of kindergarten No. 43, 10-B, Nebesnoi Sotni str., Chernivtsi city (implementation of investment project “Energy efficiency improvements in public buildings”)**”. The works include the implementation of thermal insulation of walls, thermal insulation of socle, thermal insulation of the floor area, replacement of windows and doors on Metal-plastic, installation of separate automated block wall mounted heating substation, reconstruction of heating systems, ventilation and lighting and other works.
- Object 3 – “**Capital repair of kindergarten No. 3, 43-A, Karmeliuka str., Chernivtsi city (implementation of investment project “Energy efficiency improvements in public buildings”)**”. The works include the implementation of thermal insulation of walls, thermal insulation of socle, thermal insulation of the loft, thermal insulation of the floor, replacement of windows and doors on Metal-plastic, installation of automated block wall mounted heating substation, reconstruction of heating systems, ventilation and lighting and other works.

Works on the capital repairs of the Objects as described above shall be implemented in parallel.

Capital repair of the facilities are expected to begin in September 2018 year. The expected completion date of capital repair - no later than 30.04.2019, in particular work related to the reconstruction of the heating system and the installation of IHS, shall be completed by October 31, 2018.

The tendering procedure and the contract will be subject to NEFCO’s Procurement Guidelines, which follow internationally recognized practices applied by International Financial Institutions (IFIs). The tender is open to firms from any country, provided that the firm is not ineligible or prohibited from bidding under national or international law.

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

- a) the Tenderer, has the financial, technical and production capability and capacity necessary to perform the Contract, and Tenderer’s average annual revenue in the last 3 years was at least 2 times greater than price of his tender. In case of tender submitted by JVCA, the leading partner should demonstrate at least 50% compliance with the requirement;

- b) the Tenderer (each partner of JVCA) has satisfactorily supplied similar goods and services to other employers and completed at least 5 similar contracts in the recent 5 years;
- c) the Tenderer is not bankrupt or under bankruptcy procedures according to the national legislation or regulations.

Tender documents may be obtained free of charge upon a written request of the Tenderer submitted to the Employer at the address or by e-mail (as attachment in PDF format) below. Upon receiving the written request from prospective Tenderer, the documents will be promptly dispatched electronically in PDF format, however, no liability can be accepted for their non-delivery or late delivery.

All tenders must be accompanied by a tender-securing declaration.

Tenders shall be sent to the office, the address of which is specified below before 12:00 according to the local time on September 03, 2018, to the office –№9 (Public Procurement Department of Chernivtsi City Council), addressed: Michaya Eminescu street, 2, Chernivtsi, 58000, Ukraine. The disclosure of the tender bids shall happen at the office the address of which is specified below on September 03, 2018 at 13:00, in the office – 202 (meeting room of Executive Committee of Chernivtsi City Council), addressed: Central square, 1, Chernivtsi, 58002, Ukraine. All Tenderers or their authorized representatives who would like to be present at the disclosure procedure are allowed to be present.

*The Eastern Europe Energy Efficiency and Environment Partnership (E5P) is a €180 million multi-donor fund managed by the EBRD and designed to promote energy efficiency investments in Ukraine and other eastern European countries. The fund was established under an initiative of the Swedish government during its presidency of the European Union (EU) in 2009. E5P complements energy efficiency loans provided by financial institutions including the European Bank for Reconstruction and Development, the European Investment Bank, KfW, NEFCO and the World Bank Group. Contributors to E5P are the EU and the US, as well as Denmark, Estonia, Finland, Germany, Iceland, Ireland, Latvia, Lithuania, Norway, Poland, Slovak Republic, Sweden, Switzerland and Ukraine.
